This will be a position specific camp. Each camper will be drilled and coached at the same position (offense and defense) for the duration of the camp. Last years camp was attended by more than 145 campers, and was a huge success. We are hoping for a bigger turnout this year to make our camp one of the best around. Each camper learned a lot of football and had a lot of fun during the camp.

This is a non-contact camp. Children should wear shorts and T-shirts.

Football shoes may be worn but are not required.

Please return the attached registration form by July 11th
